§309.31 What are the matching requirements for experimental, demonstration, and outreach projects?

(a) Federal financial participation for an experimental, demonstration, or outreach project may not exceed 90 percent of the total annual costs of development, operation, and evaluation of the project.

(b) The Secretary may waive the matching requirement in paragraph (a) of this section in the case of an arrangement entered into with governing bodies of Indian tribes located on Federal or State reservations and with consortia of those bodies if they are able to demonstrate that insufficient resources are available.

(Authority: 20 U.S.C. 1423(a)(4))

§309.32 What are the requirements for technical assistance projects?

(a) The technical assistance development system shall provide assistance to parents of and advocates for infants, toddlers, and children with disabilities, as well as direct service and administrative personnel involved with these children, including assistance to part H State agencies on procedures for use by primary referral sources in referring a child to the appropriate agency within the system for evaluation, assessment, or service.

(b) Information from the system should be aggressively disseminated through established information networks and other mechanisms to ensure

both an impact and benefits at the community level.
